FOUKA BAY - NATURALLY INVITING

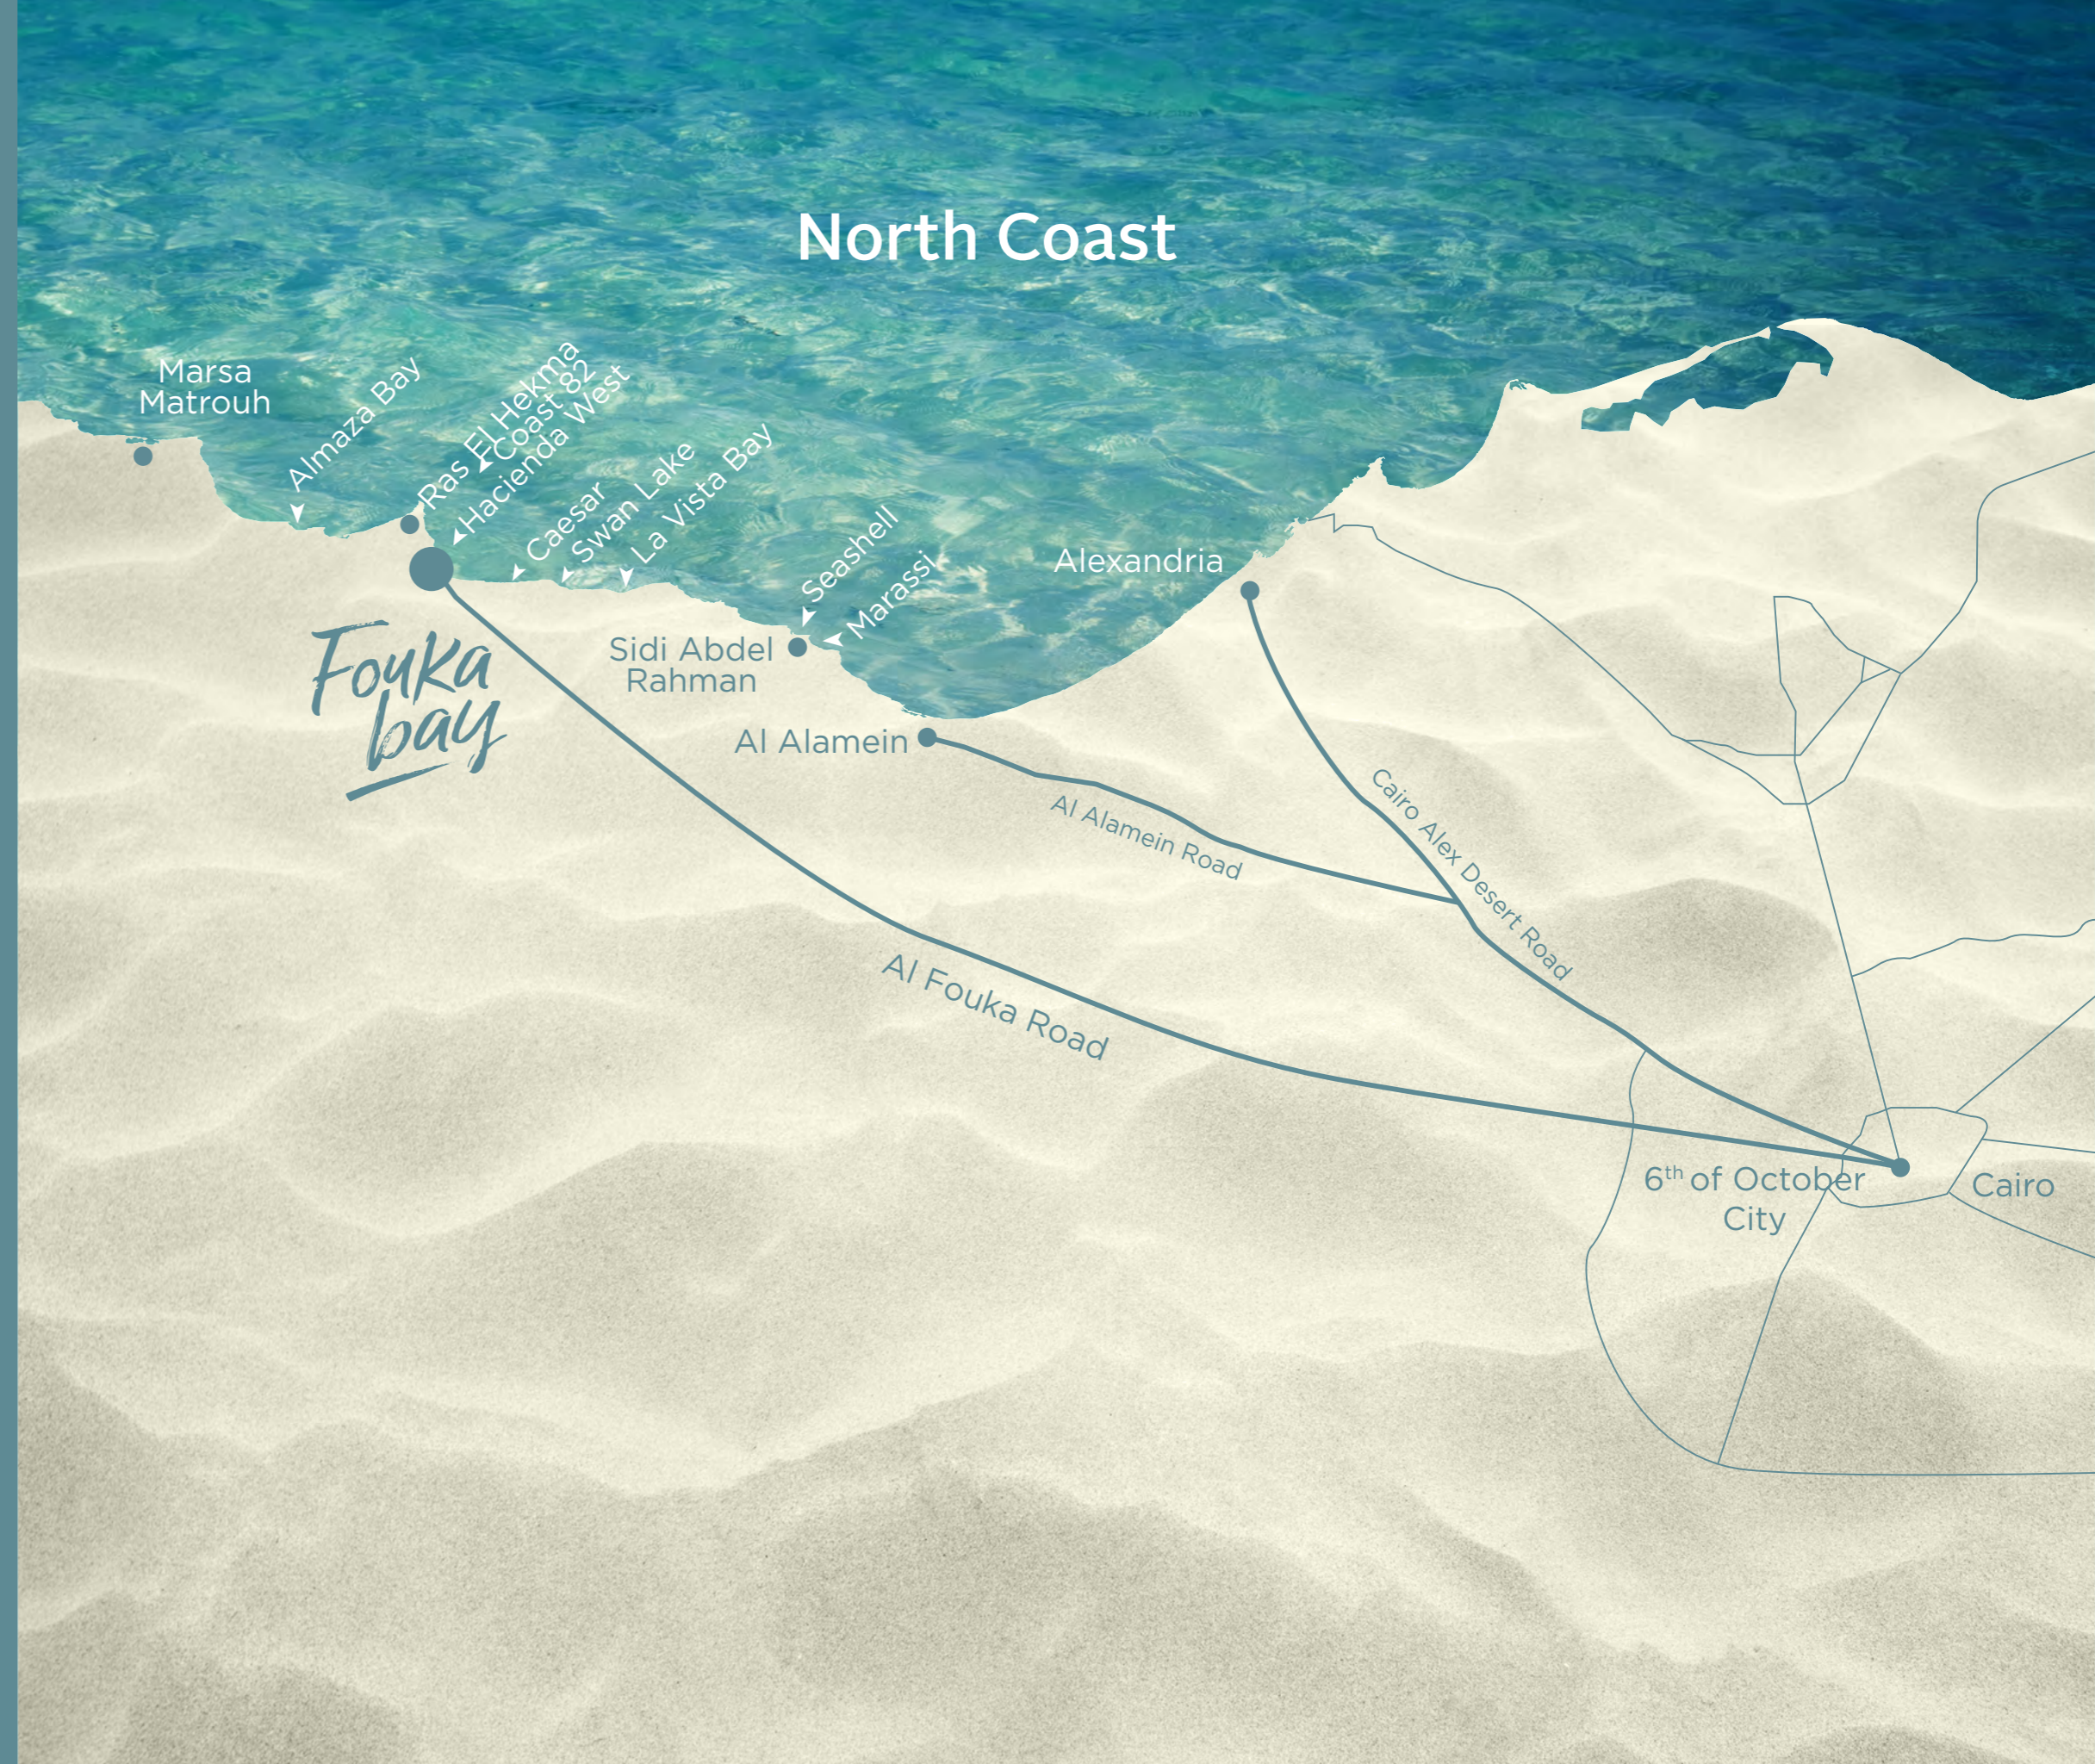

Imaginatively conceived, expertly designed and magically brought to life by Tatweer Misr Developments, Fouka Bay is the perfect escape to re-connect with your loved ones, disconnect from the pressures of city life and re-discover the art of luxury living.

Created and master planned by Egypt's acclaimed TatweerMisr Developments and world-renowned Italian architects 5+1AA, Fouka Bay basks blissfully by Ras El Hekma's pristine coastline to proudly crown the best spot in the North Coast's crystalline shoreline. Just a pleasant two hour drive from Cairo, Fouka Bay is easily accessible via the newly constructed Fouka Road. Comprising of a variety of luxurious and architectural-ly appealing waterfront villas, double decked twin houses and townhouses, standalone chalets, spacious cabins and bungalows, visitors can enjoy 360 views of unobscured water and an idyllic beach lifestyle year-round.

BRINGING YOU A LITTLE PIECE OF PARADISE CLOSER TO HOME

Situated 211km west of Alexandria and 75km from Marsa Matrouh on 194 hectares of land lies Fouka Beach. One minute away from the highway, in an idyllically private setting, Fouka Beach offers an unparalleled living experience extending across Egypt's stunning Mediterranean coastline. Spanning over 900km, the Mediterranean coast is characterized by sandy beaches, fine white sands and stunning clear blue seas; natural beauty that Fouka Beach emphasizes.
